

Northeast Energy Conclave-Powering the Northeast: Availability, Accessibility & Affordability With active participation of Guwahati Management Association

JULY 28, 2017

Details of Event: To explore the energy potential and growing importance of North eastern Region, ICC organised a dedicated program which served as catalyst and identified and facilitated and recommended a definite road map for sustenance and affordable energy mix by engaging Government and industry.

Theme Presentation & Address: Mr Nitin Zamre, Managing Director, ICF

Executive Address By Chief Guest: Mr Pallab Lochan Das, Hon'ble Minister of State (Power) Government of Assam.

Address by Special Guest: Mr E.P. Kharbhih, Commissioner and secretary, Power Department, Meghalaya.

Brief summary of the event: The conclave was regulated with an Inaugural Session and Plenary Sessions dedicated one each for 'Ensuring Power availability by revamping up the distribution & Transmission System', 'Harnessing the potential of Renewables', 'Hydrocarbon Vision of the North east' to conclude.

Diligent presentations by the eminent speakers and a meaningful Q&A session added to the totality and success of the conclave.
