

# North East Competition of Best Manager

AUG 10, 2013

Guwahati Management Association is organizing its annual flagship event -Best Manager Competition 2013 on 10th August in Hotel Rajmahal Guwahati. This will be whole day programme.

The purpose of holding such competition is to inspire and encourage the Managers of North Eastern Region who are the future leaders of tomorrow.

In the fast developing world of today, good management skill is the need of the hour specially for North East which is rich in natural and human resources. The region needs good quality managers who take the region on the path of progress with efficient management skill.

The competition will enable the participants to focus on their professional skill and upgrading good governance quality.

The jury constituted from renowned academicians, Management professionals and CEOs of successful public/ private corporate will assess the participants through series of audio visual presentation, group discussions and personal interview.
